It would seem that the whole campaign of Governor Cox is being based upon an effort to mislead the people. Just one more fabrication woven to force Kentucky farmers to believe in the League of Nations has been uncov-

It will be remembered that Goevrnor Cox came into Kentucky during his campaign for the Democratic namination, making a number of speeches. A writer in a nationally-read agricultural paper, The Country Gentleman, discussing the tobacco situation in this state, goes on to say:

### SERBIANS STOP WORK OF RELIEF, DEVINE CHARGES

"Friend" of Montenegro Says British and Canadian Mission There Is Now Inactive.

London. - Charges that the Serbian military forces have stopped a British and a Canadian mission from doing relief work in Montenegro are made by Alex Devine of Winchester in a state ment he has just issued.

Mr. Devine describes himself as a friends of Montenegro, whose "only interest in that country is that it shall have the chance of determining its own fate-a right that has been denied to Montenegrians alone of all the recognized allied nations, owing to the forcible eizure of their country by Serbian troops."
